Ms. Ogunsula,

I apologize, but without seeing the precise proposed amendments, I can not consent.

Dear Mr. Siff,

I hope you are well. I am the plaintiff in the above referenced action. I am contacting you to request consent to file an amended complaint. The complaint corrects two typos in date references, adds "individual capacity" to one defendant and also adds an additional defendant.

If you have any questions, please contact me.

Sincerely,

Veronica Ogunsula
